We are pleased to introduce you to the Care and Relief Foundation, Bhopal (CRB) which was primarily known as Covid Relief Brigade, is a registered NGO under Madhya Pradesh Societies Registration Act, 1973. This initiative was started by our President Mr. Divender Singh Cheema along with his friends who joined him during the Second wave of Covid on 23rd April 2021 and since then we have been extending helping hands to those in need.

We started off with connecting Potential Blood Donors to the Patients and extended to providing oxygen cylinders to the people in their homes also providing them with the midnight delivery, providing nutritious food to the pregnant ladies in the maternity hospital, and distributing medicines and masks.

Further, we registered our NGO on 2nd August 2021. Our main objectives are Health Care, Medicine, Education and Awareness. It started with a handful of teenagers and today we are a team of more than 60 altruistic people from all age groups. We have also donated 2 Mobile Toilets in Hamidia Hospital, Bhopal and Sultania Zanana Hospital, Bhopal which were designed by our member Ms. Pratyaksha Majhe.
